

Stir-Fried Vegetables with Beef, Chicken, or Tofu

Makes: 6 servings (1 cup stir fry and 1 cup rice per serving)

Preparation Time: 15 minutes

Cooking Time: 12 to 18 minutes

Ingredients

6 cups cooked brown rice
 1 cup broth (chicken or vegetable)
 2 tablespoons soy sauce
 1 tablespoon cornstarch
 1 teaspoon garlic powder
 Pinch of black pepper
 3 teaspoons vegetable oil
 5 cups sliced fresh vegetables (such as celery, broccoli, zucchini, onions, green beans, carrots, peppers)
 2 cups uncooked chopped chicken or beef or ½ of a 14-16 ounce package of extra firm tofu in bite size pieces*

Directions

1. Cook rice according to package directions. The package will indicate how much uncooked rice is needed to make 6 cups of cooked rice
2. Wash all vegetables.
3. Collect, slice, and measure all ingredients before starting to prepare the recipe.
4. Mix together broth, soy sauce, cornstarch, garlic powder, and pepper in small bowl. Set aside.
5. Heat 1 ½ teaspoons of oil in a large skillet over medium high heat, and add vegetables. Cook for 5 minutes, stirring often.
6. Remove vegetables from skillet.
7. Heat remaining 1 ½ teaspoons oil over high heat in the skillet, then add beef, chicken or tofu to the skillet. Stir until thoroughly cooked.
8. Lower heat to medium low. Return vegetables to skillet.
9. Pour broth mix over vegetables and meat/tofu. Cook for 2 minutes, stirring constantly, or until liquid thickens.
10. Serve immediately over heated, cooked rice.
11. Refrigerate leftovers within 2 hours. Eat within 3 to 5 days.

*For best results, press the tofu for at least 30 minutes to remove excess liquid. For crispy tofu, lightly dust the chopped tofu with cornstarch before stir frying.

Be creative! Add frozen veggies in step #4 or any leftover cooked veggies or cooked meat before step #7.
